

## Garrison, New York

Period home on historic country road! Charm bounds in this circa 1800 Colonial – original wide board floors, beams, woodwork and fireplace.

Home features living room with wood burning stove, dining room, country kitchen, office, den, three bedrooms, family room with fireplace and a laundry room/storage facility.

Rocking chair porch, stone garage, extensive gardens – perennial borders, rock and herb gardens, fruit trees, lawns and piney wood.

Idyllic setting just one hour from New York City.
