

Putnam Valley, New York

A superb renovation of a mid-century lakefront home on Lake Oscawana. Walls of glass frame views of the lake, evening sunsets, and an occasional rainbow. Huge boulders and towering spruce trees surround the home. Serene simplicity and exquisite details create sophisticated drama throughout this unique, designer created house. Two stone fireplaces provide warmth in the winter and glass doors slide open to attract summer breezes. Expansive decks overlook 100 feet of the lakefront on lovely Lake Oscawana. Enjoy sailing, motor boating, skating, fishing or just relaxing only one hour from New York City.
